Schedule		
Description of Structure	Number of Families	Limit
1.		\$
2.		\$
3.		\$

Subject to the "terms" of this endorsement, "we" cover the structures described in the Schedule above that are on the "described location" and are rented or held for rental for residential purposes to a person, other than a tenant of the residence covered under Coverage A.

All other "terms" of the policy apply, except as amended by this endorsement.

b. Coverage B, if this policy does not include form HO 0006;

apply to the structures described in the Schedule above.

However, with respect to the coverage provided by this endorsement, the exclusions applicable to structures used for the direction or operation of a "business" and structures used for the storage of "business" property do not apply.

PROPERTY COVERAGES

1. "We" cover the structures described in the Schedule above for direct physical loss caused by a Peril Insured Against described under:

- Coverage A, if this policy includes form HO 0006; or
- Coverage B, if this policy does not include form HO 0006.

2. Except as amended by this endorsement, all of the "terms" of:

- Coverage A, if this policy includes form HO 0006; or

3. The "limit" shown on the "declarations" for:

- Coverage A, if this policy includes form HO 0006; or
- Coverage B, if this policy does not include form HO 0006;

does not apply to the structures described in the Schedule above. "We" will pay no more for loss to a structure described in the Schedule than the "limit" shown in the Schedule for that structure.

LIABILITY COVERAGES

INCIDENTAL LIABILITY COVERAGES

With respect to the coverage provided by this endorsement, the following is added under the Incidental Liability Coverage for Business:

"We" pay for "bodily injury" or "property damage" that arises out of the rental or holding for rental of the structures described in the Schedule above for residential purposes only.
