

## PRODUCTS LIABILITY SPECIAL ENDORSEMENT

In consideration of the premium charged, it is understood and agreed that this policy contains a **Products Aggregate Annual Limit** and an **Occurrence Deductible** as shown on this Special Endorsement.

**PRODUCTS AGGREGATE ANNUAL LIMIT:                    \$5,000.00**

**OCCURRENCE DEDUCTIBLE:                                \$1,000.00**

**Products Aggregate Annual Limit:** The Products Aggregate Annual Limit is the most we will pay during a policy period for damages due to **bodily injury** or **property damage** that arise out of the products manufactured, sold, handled, or distributed by the **insured**.

The Products Aggregate Annual Limit applies separately to each consecutive 12-month period beginning with the inception date shown on the **declarations** for this Personal Liability Coverage. It also applies separately to any remaining policy period of less than 12-months, unless the Personal Liability Coverage has been extended after it was written. In that case, the additional period will be considered part of the last preceding period for the purpose of determining the limit.

The **Occurrence Deductible** applies to each occurrence until the **Products Aggregate Annual Limit** has been paid by us.

Further, it is understood and agreed that the duty to defend or pay any expenses from third party liability suits arising out of the **insured's** products liability and related activities are excluded when the **Products Aggregate Annual Limit** has been paid by **us**.

This endorsement shall remain in effect for the term of this policy and all subsequent renewals and/or reinstatements until withdrawn in writing by the Company.
