

**PRIVATE STRUCTURES EXCLUSION ENDORSEMENT**

In consideration of the premium charged, it is understood and agreed that the private structures described on this endorsement are excluded from coverage under Coverage B. Under Coverage B, a private structure is a building or other structure used to service the dwelling in Coverage A. Buildings and other structures which were designed and built for purposes other than to service the dwelling in Coverage A are excluded from coverage by definition.

**Structure 1:**

\_\_\_\_\_ Story \_\_\_\_\_ Building located \_\_\_\_\_ feet N, S, E, W of the dwelling  
in Coverage A.
